RABI SHANKAR SINGH

21/20 Dayananda Road • Durgapur-713204 • 9635140634 • rabidgp2004@gmail.com

▼ Objective

Detail-oriented and highly motivated individual with a strong foundation in data science, machine learning, and statistical analysis. Seeking an entry-level Data Scientist position to leverage my skills in data manipulation, analysis, and visualization to drive business insights and solutions.

▼ Experience

2024 Data Science Intern
Talisha Space Research Organisation, Durgapur, West Bengal
December, 2024 – August, 2024

- Assisted in data cleaning and preprocessing for machine learning models.
- Conducted exploratory data analysis (EDA) to uncover insights and trends.
- Collaborated with senior data scientists to build predictive models and evaluate their performance.
- Prepared visualizations and reports to communicate findings to stakeholders.

▼ Education

Bengal College Of Engineering & Technology, Durgapur, West Bengal
- Relevant coursework: Data Structures, Algorithms, Statistics, Machine Learning, Data Mining, Database Systems, Python Programming
- GPA: 8.66

▼ Communication

- Engaged with clients during internship projects to gather requirements, present findings, and discuss potential data-driven strategies.
- Presented project findings and data analysis results to teams and management, ensuring understanding and actionable takeaways.
- Organized and led workshops on data science topics, enhancing peer understanding and engagement.

▼ Leadership

- As a team leader in the Data Science Club, organized and managed multiple hackathons and workshops, driving engagement and participation from members.
- Demonstrated strong problem-solving skills by tackling challenges during project development and identifying innovative solutions to overcome obstacles
